## **DECLARATION FOR PATENT APPLICATION**

As a below named inventor, I hereby declare that:

is attached hereto.

 $\boxtimes$ 

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled MULTI-PHASIC MICROPHOTODETECTOR RETINAL IMPLANT WITH VARIABLE VOLTAGE AND CURRENT CAPABILITY AND APPARATUS FOR INSERTION, the specification of which:

	was fried on as App.	lication Serial No			
	and was amended on	_ (if applicable).			
	at I have reviewed and und amendment referred to above	lerstand the contents of the above-ide.	entified specification, inc	cluding the cl	aims, as
I acknowledge to Regulations, § 1.		tion which is material to the patenta	bility as defined in Title	37, Code of	Federal
inventor's certific United States, lis	cate or § 365(a) of any PC ated below and have also ide	ler 35 U.S.C. § 119(a)-(d) or § 365( T International application which dentified below, by checking the box, analying a filing date before that of the	esignated at least one co any foreign application for	ountry other or patent or it	than the aventor's
Prior Foreign Ap	plication(s)			Priority Clai	<u>imed</u>

(Number)	(Country)	(Day/Month/Yea	r Filed)	Yes	No
	e benefit under 35 U.S.C. §	119(e) of any United States provision	al application(s) listed be	low:	
			<del></del>		
` • •	tion Serial No.)	(Filing Date)	<del></del>		
I hereby claim to application design is not disclosed in U.S.C. § 112, I is	he benefit under 35 U.S.C. nating the United States, lis n the prior United States or acknowledge the duty to di	(Filing Date)  § 120 of any United States applicated below and, insofar as the subject PCT International application in the sclose information which is material ate of the prior application and the n	matter of each of the clai manner provided by the to patentability as defin ational or PCT Internation	ms of this app first paragraped in 37 CFI onal filing dat	plication ph of 35 R § 1.56
I hereby claim tapplication designs not disclosed in U.S.C. § 112, I which became avapplication:	he benefit under 35 U.S.C. nating the United States, lis n the prior United States or acknowledge the duty to divailable between the filing d	§ 120 of any United States applicated below and, insofar as the subject PCT International application in the sclose information which is material ate of the prior application and the n	matter of each of the clai manner provided by the to patentability as defin ational or PCT Internation	ms of this applies that paragraphed in 37 CFI onal filing dates one	plication ph of 35 R § 1.56 e of this
I hereby claim tapplication designs not disclosed in U.S.C. § 112, I which became avapplication:	he benefit under 35 U.S.C. nating the United States, lis n the prior United States or acknowledge the duty to di	§ 120 of any United States applicated below and, insofar as the subject PCT International application in the sclose information which is material	matter of each of the clai manner provided by the to patentability as defin ational or PCT Internation	ms of this applies that paragraphed in 37 CFI onal filing dates one	plication ph of 35 R § 1.56 e of this
I hereby claim tapplication design is not disclosed in U.S.C. § 112, I which became an application:  (Application:  (Applicati	he benefit under 35 U.S.C. nating the United States, lis n the prior United States or acknowledge the duty to divailable between the filing dution Scrial No.)  that all statements made hered to be true; and further the are punishable by fine or in	§ 120 of any United States applicated below and, insofar as the subject PCT International application in the sclose information which is material ate of the prior application and the n	matter of each of the clais manner provided by the to patentability as definational or PCT International Internati	ms of this applications of this application one on informal false statemnited States C	plication ph of 35 R § 1.56 e of this doned) tion and ents and
I hereby claim to application design is not disclosed in U.S.C. § 112, I awhich became an application:  (Application:  (Applic	tion Serial No.) that all statements made her do be true; and further that are punishable by fine or in false statements may jeopard	§ 120 of any United States applicated below and, insofar as the subject PCT International application in the sclose information which is material ate of the prior application and the notion of my own knowledge are true are at these statements were made with the prisonment, or both, under Segtion 1	matter of each of the clais manner provided by the to patentability as definational or PCT International Internati	ms of this applications of this application one on informal false statemnited States C	plication ph of 35 R § 1.56 e of this doned) tion and ents and
I hereby claim tapplication design is not disclosed in U.S.C. § 112, I which became an application:  (Application:  (Applicati	he benefit under 35 U.S.C. nating the United States, lis n the prior United States or acknowledge the duty to divailable between the filing dution Scrial No.)  that all statements made hered to be true; and further the are punishable by fine or in false statements may jeopardure	§ 120 of any United States applicated below and, insofar as the subject PCT International application in the sclose information which is material ate of the prior application and the notion of my own knowledge are true are at these statements were made with the prisonment, or both, under Segtion 1	matter of each of the clais manner provided by the to patentability as defin ational or PCT International Internat	ms of this applications of this application one on informal false statemnited States C	plication ph of 35 R § 1.56 e of this doned) tion and ents and
I hereby claim to application design is not disclosed in U.S.C. § 112, I awhich became an application:  (Application:  (Application:  (Application:  (Application:  (Application:  (Application:  (Application:  I hereby declare believe the like so made that such willful in the property of the like so made that such willful inventor's Signature.	he benefit under 35 U.S.C. nating the United States, lis n the prior United States or acknowledge the duty to divailable between the filing dution Scrial No.)  that all statements made hered to be true; and further the are punishable by fine or in false statements may jeopardure	§ 120 of any United States applicated below and, insofar as the subject PCT International application in the sclose information which is material ate of the prior application and the number of the prior application and the number of my own knowledge are true are at these statements were made with the prisonment, or both, under Section I lize the validity of the application or a	matter of each of the clair manner provided by the to patentability as definational or PCT International Internati	ms of this applications of this application one on informal false statemnited States C	plication ph of 35 R § 1.56 e of this doned) tion and ents and
I hereby claim to application design is not disclosed in U.S.C. § 112, I awhich became an application:  (Application:  (Application:  (Application:  (Application:  I hereby declare belief are believe the like so made that such willful further to signature full name of sole	he benefit under 35 U.S.C. nating the United States, lis n the prior United States or acknowledge the duty to divailable between the filing dution Scrial No.)  that all statements made hered to be true; and further the are punishable by fine or in false statements may jeopardure	§ 120 of any United States applicated below and, insofar as the subject PCT International application in the sclose information which is material ate of the prior application and the number of the prior application and the number of my own knowledge are true are at these statements were made with the prisonment, or both, under Section I lize the validity of the application or a Vincent Chow	matter of each of the clais manner provided by the to patentability as definational or PCT International In	ms of this applications of this application one on informal false statemnited States C	plication ph of 35 R § 1.56 e of this doned) tion and ents and
